## 2. What is PAKITTE???

### BRAND MESSAGE

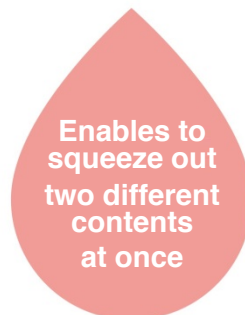

PAKITTE is a Portion Package which is able to put seasoning on food easily by one hand.

PAKITTE is not only used in cooking scene but also in other scenes.

Even today and anywhere, PAKITTE will surely make anybody smile.

### How PAKITTE works

You can open PAKITTE easily by one hand without making your hands dirty. Even children and seniors can use PAKITTE with ease. Besides, squeezing two contents create unique scenes, such as drawing patterns and enjoy variations of different tastes.
